

Dear Mary Libby,

Remember all the good times we've had? How could we forget 'em?

Just think! You're through with this dumb old high school and I'm half way through! Aren't we proud!

I just can't believe it!

I really haven't anything much

to say, so I'll sign off now.

Be sure to write when you go away to school.

I'll see ya' at I. M. S. Times!

Love to ya.

ADVERTISEMENTS

Foreword

The SKYLINE presents the theme "Then and Now." With some pictures from the first yearbook published in 1910 and photos of present-day activities, we are reminded of the march of time. From the first graduating class of two girls to this year's class of 106, from a faculty of a few members to a present teaching staff of 26, from a course of few studies to a widely diversified program, from six school organizations to the present eighteen, the story of 42 years at Waynesboro High School is one of progress and achievement.

For the years which lie ahead one can envision a field of increased activity and a sphere of greater usefulness for our alma mater.

OUR
PRINCIPAL

Dedication

To have the responsibility of molding a school's activities into a smoothly running organization is far from an easy task, and to be well liked and respected is an enviable achievement.

We, the Senior Class of 1952, have chosen to dedicate our SKYLINE to one who for three years has made our life at Waynesboro High School easier and very enjoyable. To him, who has cheered so enthusiastically for our teams and for us in whatever we have done, a friend always ready with a smile as we passed in the halls or stepped into the office—to our Principal, Mr. William J. DeLong, we of the Senior Class of Nineteen Hundred and Fifty-Two, dedicate this volume.

Then, 1910

From the 1910 SCOUT we quote:

“The Waynesboro High School was founded in the year of 1906.

“It is now among the most flourishing schools in this district of Virginia. It is situated in the beautiful little town of Waynesboro, and stands on that famous hill where the battle of ‘Waynesboro’ was fought during the Civil war and overlooks the Blue Ridge at the foot of which flows the South River.

“May the High School boys and girls ever remember the happy days spent at the W. H. S.—and may the High School live forever.”

Now, 1952

Administration

In 1910, Waynesboro High School's annual pictured two high school faculty members and six teachers of the grades. In 1952, many times that number are engaged in administering the program of the High School.

For the friendliness which has meant so much to us, and for the helpful interest and constructive guidance which were instrumental in aiding us to reach our goal, we are deeply appreciative to the members of the faculty and administration of Waynesboro High School.

School Board

FROM LEFT TO RIGHT: *Mr. Robert W. Gray, Mr. N. F. H. Morrison, Chairman of Board; Mr. F. B. Glenn, Superintendent of Schools; Rev. Karl H. Maier, Dr. Conrad C. Freed, Mr. James Yearout.*

Then, Now, and Beyond

We are generally blind to progress until it has occurred. We can look back upon the past and view its backwardness with a sympathetic attitude, yet, had we lived in that era we would have thought ourselves very modern. Education has to do with enlightenment. All too often we spend our time in education pleasurably viewing the past with little concern of its value for the present and the future. We will have really progressed when we become keenly conscious of the past, the present, and the future in our learning experiences. In other words, we should still view our past accomplishments in order to skim the cream of ideas for our present and future guidance; then we should spend more time with present vital problems and make honest attempts toward planning for the future.

No doubt, it is with keen interest and satisfaction that we examine the first Annual produced by Waynesboro High School. We think it picturesque and antiquated, yet, when the pupils of Waynesboro High School in the Class of 1992 review our super de luxe issue of 1952, they will exclaim, "Oh! No! It never could have been like that." Those hairdo's, those styles, and those activities surely belong in a museum.

So let's not be too hilarious over the backwardness of the days gone by; but let us take the best from the past, combine it with our present efforts and needs in order to move more confidently into the future as time marches on.

Senior Class History

Upon entering High School in September, 1948, we found ourselves truly "green freshmen." How bewildered we were by the changing classes, lockers, and most of all those "terrible" upperclassmen. After getting into the swing of things we started joining clubs, going to basketball and football games and really having a good time. We felt quite at ease and little did we realize how much we had to learn.

We felt proud of ourselves in 1949 after becoming sophomores. We were represented in quite a few clubs and sports activities. Our school made history by winning the District V championship in basketball.

Success at last! In 1950 we were upperclassmen. Thinking ourselves very much superior to the lowerclassmen, we gave a Junior Variety Show and from the proceeds gave a most successful Junior-Senior Prom.

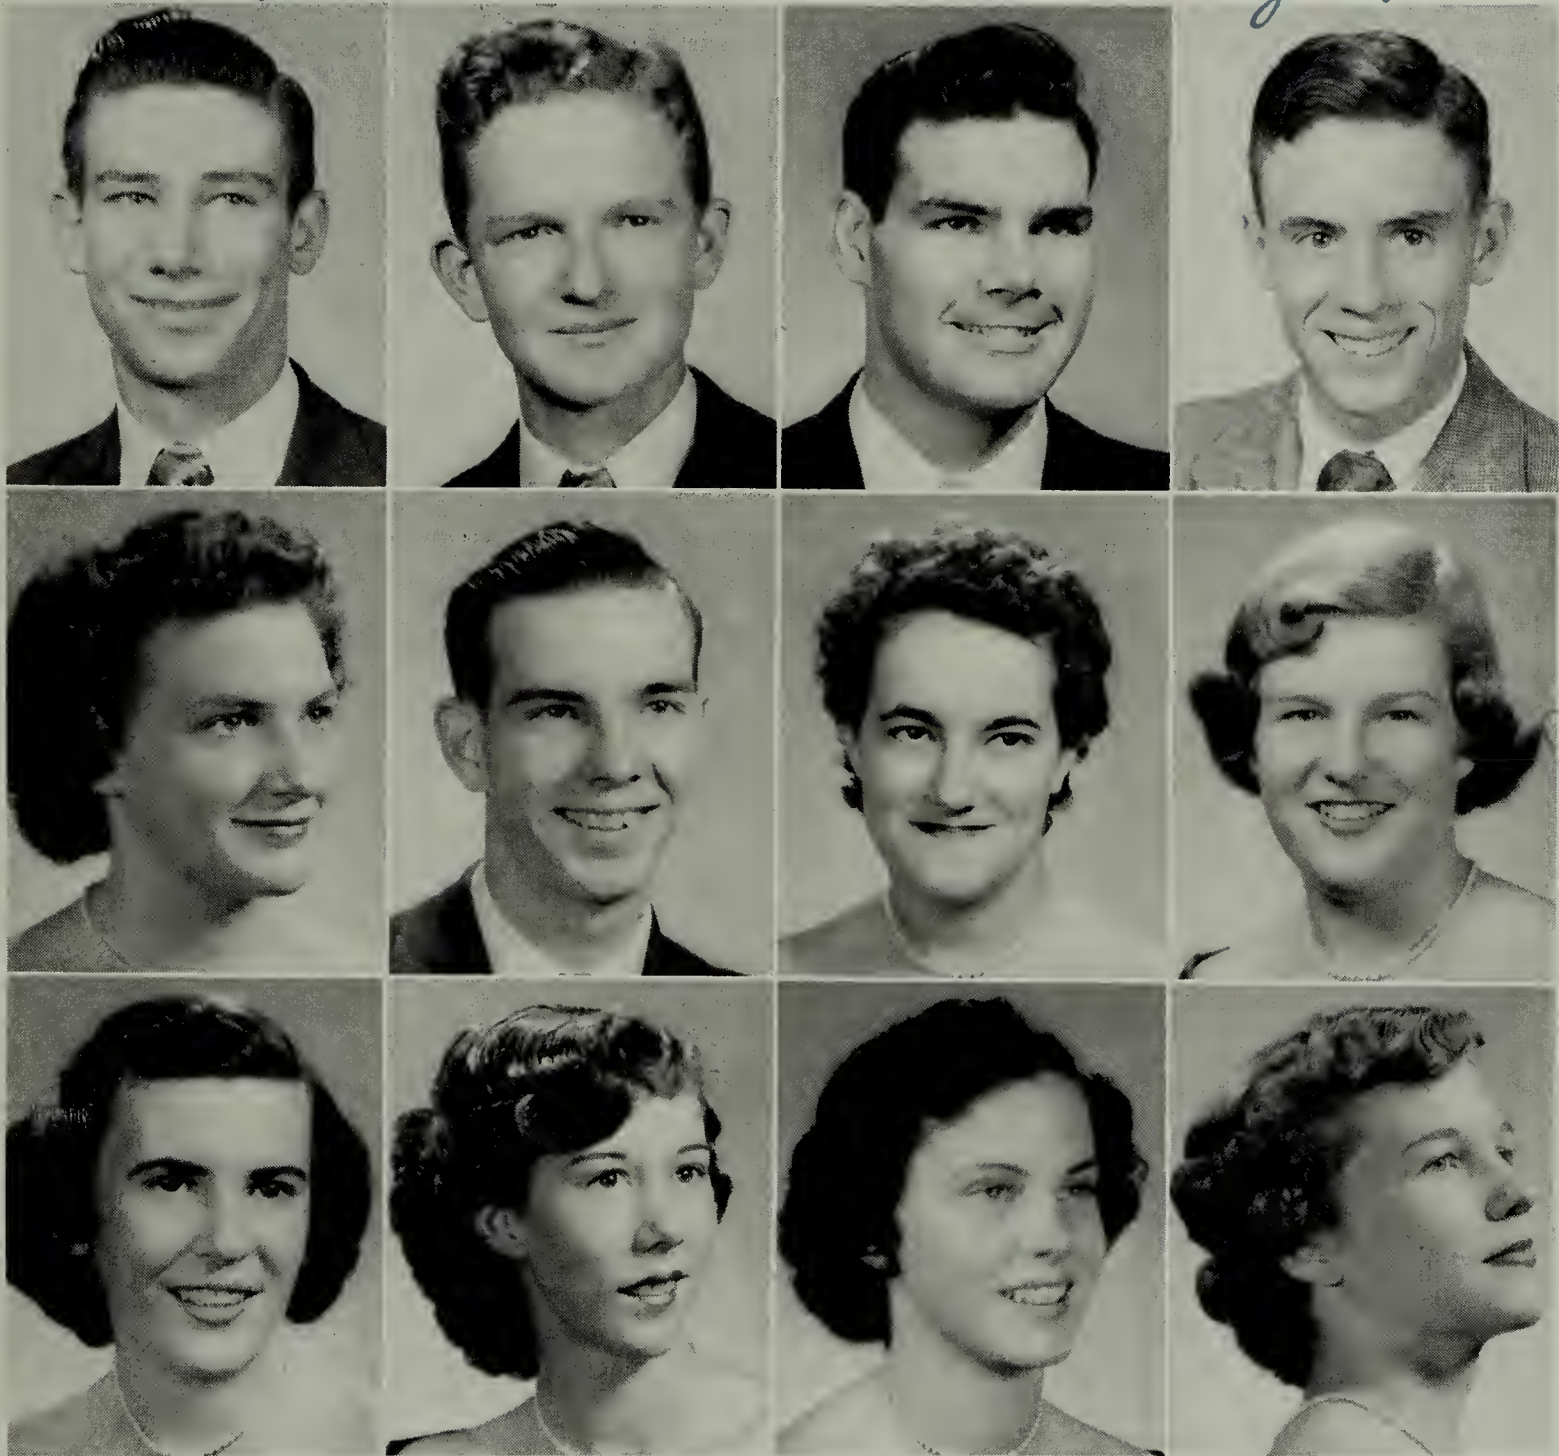

Now we are sophisticated seniors, and this is the best year of all. We enjoy the special privileges of front seats in assemblies and early lunch. Putting in wholehearted work in studies, clubs, and sports, some of us found time to run the concession stand for the football and basketball games to raise money for our Senior trip.

As we look forward to graduation day, we feel proud to be the graduating class of 1952. Going out into the world we will ever remember our teachers who have been so helpful and the wonderful times we have experienced. A place in our hearts will always be filled with wonderful memories of Waynesboro High School.

Joyce Shiflet is organ soloist on Inner Sanctum.

Evelyn Hodge has taken over the ownership of the skating rink and is running it *her* way.

Joyce Zimmerman and Betty Shiflett have both retired from the business world and are living at the "Old Maids' Home," owned and operated by Nira Stinespring.

Wade Craig is competing with Sak's Fifth Avenue Clothing Store . . . His shop is known as the Craig's Wayne Avenue Store.

Patsy Dodd, who used to hate them all, now loves them all. (Boys, we mean.)

Next to Valentino, Don McCormick has been named as the second greatest lover in American History.

Well, folks, you have just seen the 1952 graduating class in action. I hope you have enjoyed this little scene from the past and present. Well, tune in again sometime, won't you? ? ?

Junior Class History

At last we have become upperclassmen! After a year when we were known as "Jolly Juniors," we find ourselves ready to become "Dignified Seniors." It seems such a short time ago that we, as freshmen, were scurrying around like frightened mice through the halls wondering if we'd ever have self-confidence enough to stand up for our rights. Our officers were Joey Lawrence, president; Douglas Jones, vice president; Harriet Conrad, secretary and Dwight DeMasters, treasurer.

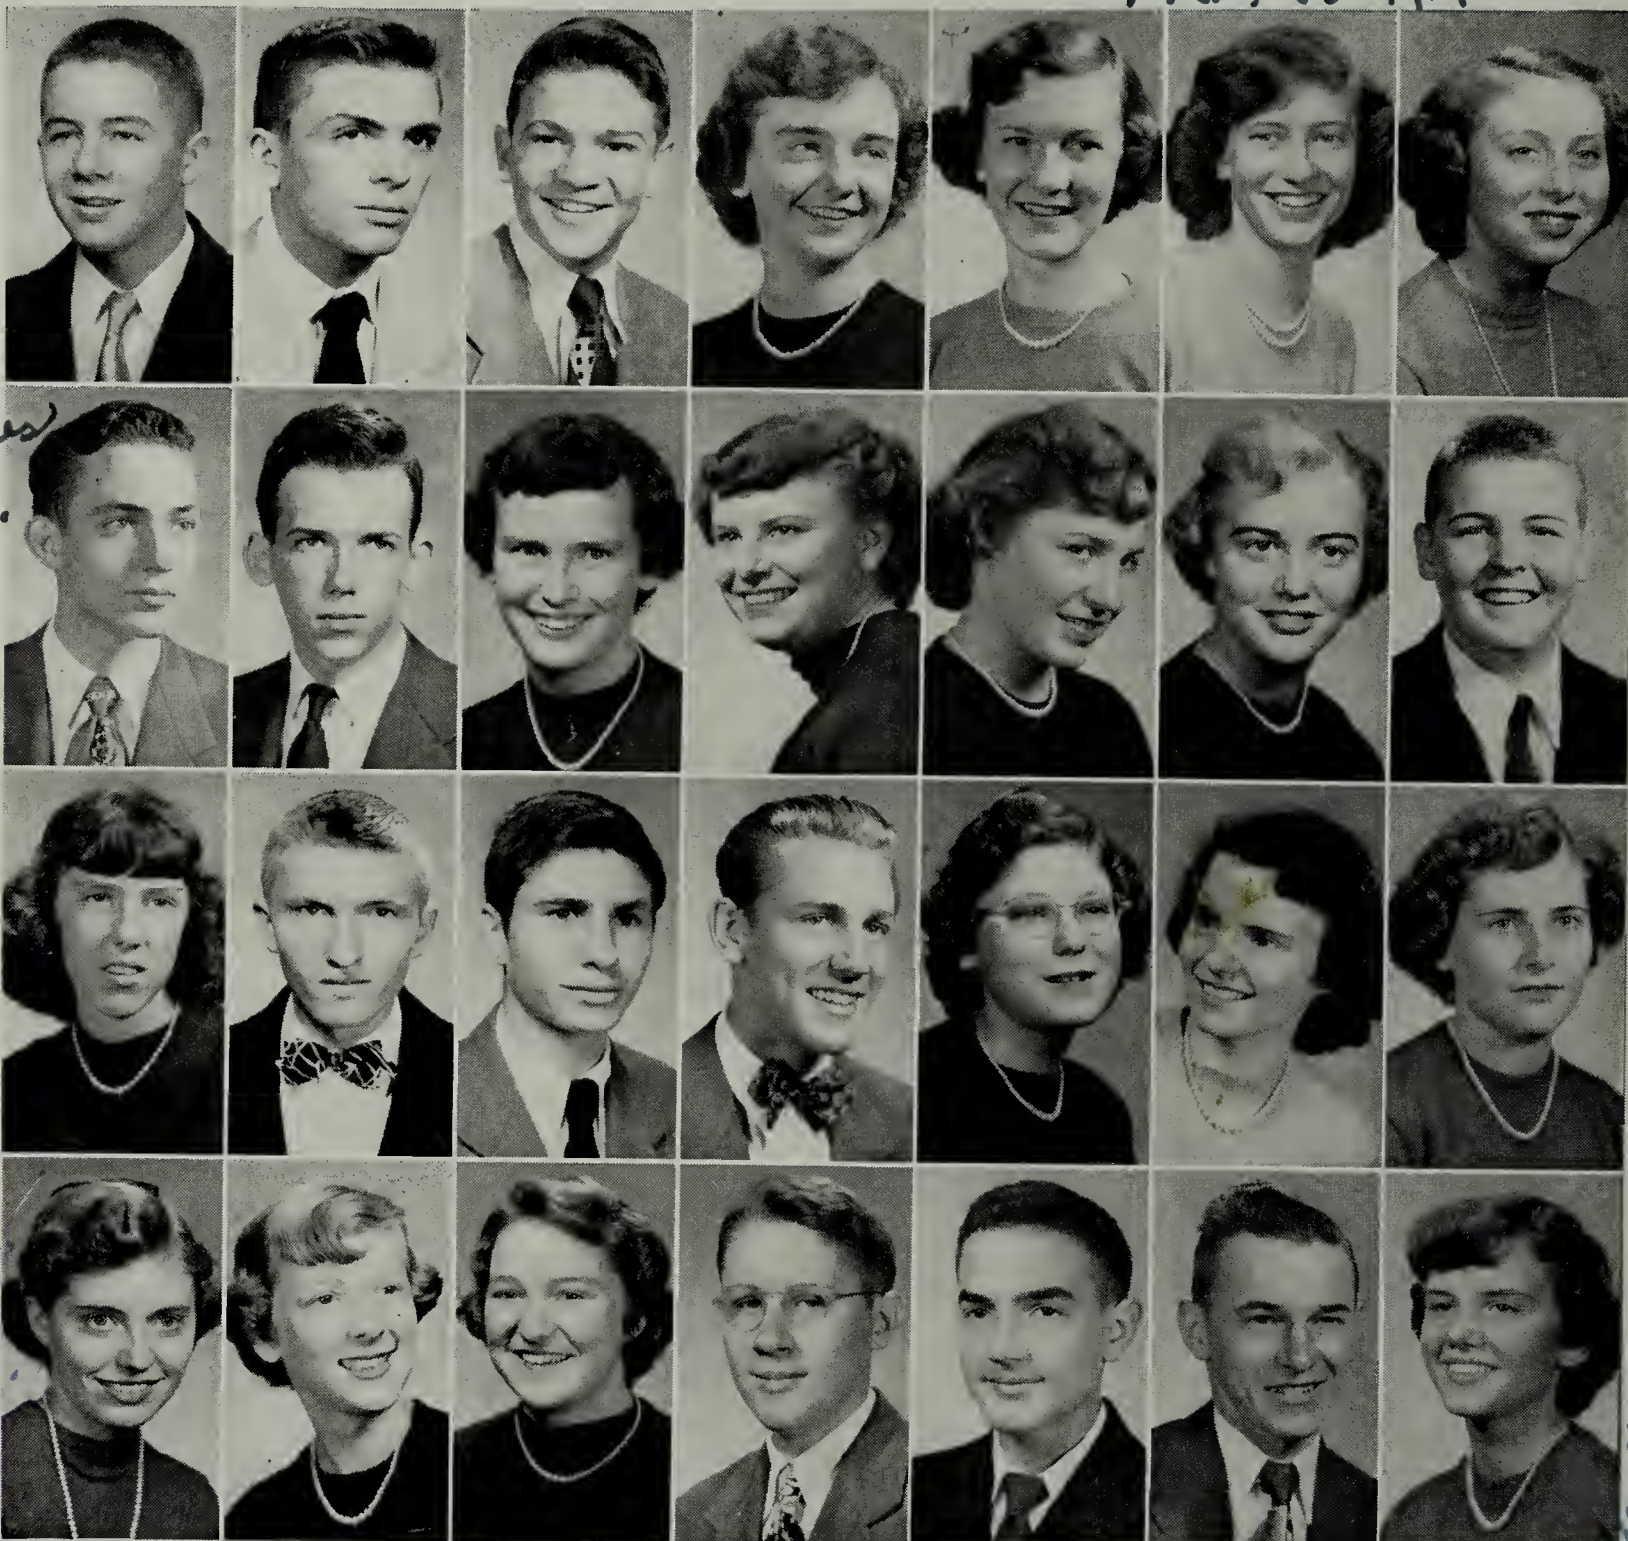

The year '51 rolled around and much to our joy we became sophomores. Our officers that year were Dwight DeMasters, president; Jimmy Moyer, vice president; and Shirley Harrison, secretary. Whenever we reminisce, a flood of memories rush in of our second year and the swell times we had. The Sophomore picnic and party provided two outstanding memories of good times.

The year '52 finds us near the top of the ladder of success. We are participants in almost all of the clubs, activities, and athletics. The class has been very successful! Our Junior Variety Show went over magnificently! A total sales of \$103 broke the old record of profits. Some other events in our date book for this grand year are the Junior-Senior Party and the arrival of our school rings.

Yes, we will always remember 1952—our Junior year at W. H. S.

Freshman Class History

How exciting to finally be recognized members of the Freshman Class of Waynesboro High School! Our eager expectations as seventh graders were rewarded when we began to feel at home in our classes. Those obstinate lockers were finally conquered, and we found ourselves able to begin reaching class on time.

One very happy year has elapsed in a short time. Leaving the Freshman Class to take our place as Sophomores, we shall hold fond memories of our freshman days and look forward to our future years of study and fun in Waynesboro High School.

The personnel of the Student Council is composed of elected homeroom representatives plus the officers previously elected by secret ballot. The Council maintains and strengthens democratic relationships between the student body, faculty, and administration and provides freedom in individual and group action so long as this action contributes to the welfare of the school.

The presentation of the Honor Code to all Freshmen and new students was one of the Council's more important duties along with choosing the cheerleaders, presenting educational and entertaining assembly programs, and sending representatives to the Natural Bridge District S. C. A. convention held at Weyers Cave.

The purpose of the Beta Club is to encourage effort, to promote character, to encourage the furthering of education, to promote leadership and, in doing so, raise the mental standards of its members.

Choral Club

The growth of the Choral Club is shown by the fact that this year the group numbered approximately 100 girls in contrast to 16 in the first group 5 years ago. This year the group participated in the Christmas Pageant, the Reformation Service, radio work, and the music festival in Fredericksburg.

The F. B. L. A. is a national organization for all business education pupils who show a superior record of willingness to cooperate, eagerness to work, and eagerness to be of service to the organization, the school, and the community.

The purposes of the club are:

1. To help members become better qualified in the office skills.
2. To stress such employable qualities as promptness, alertness, and dependability.
3. To improve personality for one's lifework.
4. To learn the local business practices and needs so that the group may fulfill them and become business leaders in the community.

Sports

Sports activities, as gleaned from the 1910 yearbook, included girls' basketball, tennis, horse back riding, and a snappy baseball nine which enjoyed an undefeated season.

We quote from the SCOUT:

"As this is the first team in the history of the High School, only a few games could be arranged, all of which we have won.

March 1, the team played Stuarts Draft High School on their grounds, and in a fast and well-played game won by the score of 9 to 7.

Then on March 31, the team played Fishersville at Fishersville, the score being 25 to 4 in our favor.

Stuarts Draft gave us our return game April 8 and again we won; score—13 to 4.

With continued practice there is little doubt that we will win every game.

Here's hoping the ball team of the Waynesboro High School will ever be victorious."

Varsity Football

With only two starters returning from last year's team, the varsity football squad was green and inexperienced. Despite this, they made a good showing in most of their games. With eleven returning lettermen and prospective aid from this year's Junior Varsity, Waynesboro promises to have an above average in 1952.

The 1951 schedule with resulting scores was as follows:

Covington.....	27	Waynesboro.....	6
Front Royal.....	6	Waynesboro.....	7
Winchester.....	20	Waynesboro.....	0
Clifton Forge.....	26	Waynesboro.....	0

Junior Varsity

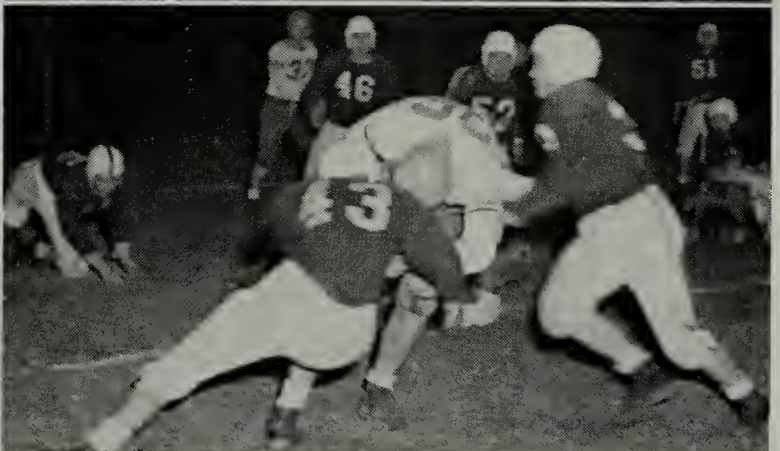

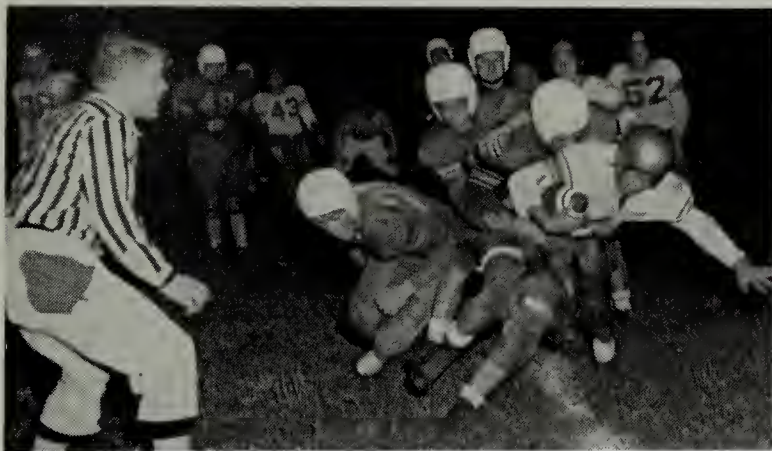

"The Baby Giants of '51," under the coaching of John Hunton, won four games and lost only two. With five boys returning from last year's team, these boys played smart and aggressive ball. Promising material for future varsity competition was displayed by a large part of the team.

The 1951 schedule with resulting scores was as follows:

V. S. D. B.....	7	Waynesboro.....	25
Wilson Memorial.....	7	Waynesboro.....	12
Staunton.....	6	Waynesboro.....	2

Varsity Basketball

McCORMICK—Forward (Co-Captain)—With an average of 13.2 points per game, McCormick led the league in foul shots with 60. His all-around play will be missed next year.

MOYER—Forward (Co-Captain)—Scoring 100 field goals with an average of 11.7, Jimmy was an excellent ball player. He'll be back next year to fill a forward position.

SWEZEY—Center—Playing the pivot slot, Charley was at his best under the basket. He will be missed next year.

HARTBARGER—Guard—Only a Junior, Jimmy will be back next year. He is a good shot, playmaker, and defensive star.

WILLIS—Guard—Another Junior, Winfield is a good defensive player, good shot, and a ball hawk.

ALTICE—Forward—This is Jimmie's first year on the varsity squad, but his considerable talent makes him a promising prospect for next year.

SCANLAND—Guard—Horace showed a great deal of improvement during the year. He will be back next year to fight for a first-string berth.

EAST—Center—During this year, his first on the varsity, Bobby showed much improvement. He will be back next year to add his height to the team.

CRUTCHFIELD—Guard—A good ball handler, Knox saw much action this year. A senior, his playing ability will be missed next season.

MITCHELL—Forward—Gilbert's shooting and playing ability will be missed next year. He is a good shot and a fine player.

PLUMB—Guard—Johnny was the shortest man on the team, but he made up for this with aggressiveness.

GOBLE—Forward—Known as the fastest man on the team Tommy a good all-around player, will be back next year

OWENS—Guard—Teddy is a fine player and the team will miss him next year. He is an excellent shot from outside.

RING AND TRIMBLE—Managers—Without efficient managers, a team cannot be a smoothly running squad. These managers were conscientious in their work.

The varsity basketball team, led by Coach Jimmy Leitch, won fourteen games and lost only five. Ending up third in District V, they lost in the tournament to Harrisonburg, the eventual winner, in a semi-final game. Coach Leitch taught these boys, among other things, good sportsmanship and loyalty to the team.

Junior Varsity Basketball

Under Coach John Hunton, the Waynesboro J. V. team went undefeated throughout the 1952 campaign. They also have a streak of eighteen wins stretching back through 1951. Playing fast and aggressive ball, many players will undoubtedly play varsity ball in the coming years.

School Song

IN the hills of old Virginia, The sky is bright with sunshine,
The lovely Shenandoah, The spirit of love is there,
There's a school that looms supremely, There is truth and faith and courage
Each year I love it more. And friends who do and dare.

DEAR WAYNESBORO HIGH SCHOOL
As time goes by, we'll e'er
Be faithful daughters and sons.
We'll float your colors only where
There's right. We'll keep your standards
Spotless and bright.

CHEERS

Hi, here I am!

Guess I'd better sign back here with the "Hall"..
Sally, Smith, ain't it been fun here. I really didn't
enjoy this year until May, and then it really began!!!
Don't ever forget all the fun we've had: the Sadie
(Hawkins) Dance, S.S. parties, just being a S.S.(!) and
Church. Always remember May 31st. (P.S. I had a
wonderful time!) You've really been a wonderful
friend during our four hi school years! I hope
you will have fun over to the "hall", and don't
lead a dangerous life, hear? Take care of the
"boys" even tho' I won't worry since he won't be
back!!! See you this summer. Pick me up on
your way to N.C. 'cause I want to see a certain
"tarheel"!

Love & etc.
